¹ **The entry fee** is a third party fee and is paid in full to the financial agent who mediated the conclusion of the Portfolio Management Agreement. WEM is entitled to charge the fee.

² **The management fee** is charged monthly, as a percentage of the average value of the client portfolio for the given month. The fee does not include third party fees (e.g. stock exchange fees, bank fees, etc.).

³ **The performance fee** is charged quarterly or on the sale of the portfolio, as a percentage of the total return of the client portfolio. When yielding at the interval boundary, the lower of the rates applies.

⁴ **The success fee** is charged quarterly or on portfolio sales, as a percentage of the positive difference between the client's portfolio return and the agreed benchmark. When yielding at the interval boundary, the lower of the rates applies.

^{HWM} **High-water mark** is a principle of charging fees based on their highest cumulative past peak value. In this case, a fee will only be charged if the portfolio reaches a higher value of its cumulative returns or only from the part that exceeds the previous highest cumulative value of returns. Applied here is the sliding high-water mark for the past 8 periods (2 years).
